

SEP 10 1954

Executive Officer

Chief, Special Security Division

Overseas Operational Activities  
of Special Security Division  
#92672

1. Reference your request for a monthly report regarding the number of assignments completed, together with air miles flown by agents of this Division outside of the continental limits of the United States.

2. During August 1954 four (4) overseas escort missions were completed. This entailed a total of 37,272 actual miles of flight, requiring 153 hours 30 minutes of actual time in the air. Four (4) agents of this Division participated in this activity.
